MANY HEATS NEEDED

To Run Off the Races at the Morrisville Fair.

Morrisville, Aug. 29.—Attendance the second day of the Lamotte Valley Fair association was 7,000, including delegations from all over the state.

There were fewer cattle exhibits than usual. Among these exhibits was a herd of prize Guernseys from the farm of Urban A. Woodbury, 24, of Burlington.

The Ayrshires of B. P. Bennett of Hyde Park took first award. Russell S. Page of Hyde Park exhibited prize Jerseys. Burt & Co. of Stowe took all awards for steers and oxen, exhibiting 10 pairs. Horses were present in all classes.

The best stock was Ben, Aldrich and four of his get, exhibited by E. A. Small of Morrisville, which took first prize. W. H. Jones of Hyde Park won awards for second best stock, exhibiting a Morgan stallion. For the colt class, Frank Eldridge took first honors, exhibiting a two-year-old.

The horse races were run off in three events yesterday. The summaries follow:

BARRE DAILY TIMES

THURSDAY, AUGUST 29, 1918.

The Weather

Probably showers to-night and Friday; cooler in the interior Friday; fresh west to northwest winds.

TALK OF THE TOWN

Mrs. H. W. Blanchard of Newark, N. J., is visiting her niece, Mrs. C. A. Merrill of Long street and Mrs. J. E. MacKenzie of Beckley court.

Mr. and Mrs. Arthur E. Campbell and son, Laurence Campbell, of North Main street, returned to the city last evening by automobile from Old Orchard, Me., where they have been spending the past two weeks.

A very enjoyable private dance was held last evening at the Howland hall, under the auspices of a number of Barre young men. About 35 couples were present on the floor during the evening. The music was furnished by Gilbertson's orchestra.

Alex Watt arrived in the city last evening from Boston, to spend a few days on a short furlough with friends and relatives in the city. Mr. Watt has made several trips along the Atlantic seaboard since his enlistment in the merchant marine service a few months ago.

The adjutant-general this morning received another telegram relative to aliens, which will materially affect their status in the country. It appears that the ambassador of some of the neutral countries have asked that declarants for naturalization papers be allowed to withdraw their declaration. This, the government is advising local boards, can take place, and then the local boards will treat them as aliens, and that the aliens withdrawing will be refused at future dates a chance to become naturalized in this country.

Disappointment awaited a large number of Barre people last evening, who turned out to enjoy a supposed open-air band concert. Owing to some misunderstanding the electric car company advertised on the street cars the announcement of such an event, which was to be given at the city park last evening. After waiting for about a half-hour after the usual time for commencing the concert, the dawning of the misunderstanding came upon the number of people and it was with a great deal of disappointment that they dispersed for their homes later.

FEW VOTING CHANGES

At First Meeting of Barre Board of Civil Authority.

The first of a series of meetings of the Barre board of civil authority for the purpose of revising the checklist to be used in the September primary was held last evening at the city court room and the few members of the board present did not have very arduous labors. Another meeting will be held on the evening of Sept. 4.

Eighteen names were considered last night, a third of which were new to the board, either those just naturalized or those who have moved to the city.

There was considerable discussion whether persons who have not contributed anything to the various war funds should serve on the election boards for the forthcoming primary and for the election in the fall. No action was taken although the members expressed themselves rather strongly concerning the failure of anyone to participate in the various war drives.

The list of election officers as drawn up had to be changed considerably because some of the previous board are now candidates or because of removals from wards. The list is as follows:
Ward 1—Ward clerk, George N. Tilden; inspectors, Harry McNeil, George P. Howe, G. I. Beckley; ballot clerks, W. P. Scott, John Paul, D. R. Stuart, Charles Olliver; assistants, E. J. Owens, E. N. Philbrick, J. C. Griggs, Angus McDonald, the last named in place of Rev. J. B. Reardon, a candidate for Congress.

Ward 2—Ward clerk, T. J. Denning; inspectors, B. P. White, H. W. Clark, Robert Inglis; ballot clerks, H. A. Rugg, R. S. Currier, William Wishart, John Crowley; assistants, James Brown, A. G. Fay, F. L. Small, A. J. Guthrie, the last named in place of C. W. Melcher, a candidate for the state Senate.

Ward 3—Ward clerk, F. W. Bancroft; inspectors, C. C. Varney, George Hoyt, O. D. Shurtliff; ballot clerks, J. H. O'Brien, Bernard Corcoran, Atto Mariani, Paul Bianchi; assistants, F. T. Cutler, T. H. Cave, Jr., G. H. Pape, L. R. Hutchinson.

Ward 4—Ward clerk, Peter D. Thom; inspectors, Ferdinand Rossi, John Milne, James Glass; ballot clerks, G. L. Grez, W. W. Russell, A. G. Cordier, Edwin Keast; assistants, J. K. Anderson, Joseph Ricciardi.

Ward 5—Ward clerk, Silvio L. Card; inspectors, Thomas Carroll, O. J. Howes, Edward Keefe; ballot clerks, Jasper Bizzozero, John Frontini, Celeste Bianchi, A. Della Bernardini; assistants, J. B. Sanguinetti, James Hastings.

Ward 6—Ward clerk, A. E. Campbell; inspectors, Frank Bernier, E. T. Mowbray, W. T. Campbell; ballot clerks, E. R. Davis, Sheldon Brown, Carl C. Rollins, George Emery; assistants, L. C. Beck, James Hoag.

MONTPELIER

The regular meeting of the city council took place Wednesday evening, 10 minutes being occupied in handling the different matters. J. P. Gallagher was designated as president in the absence of Mayor Mitchell and President Shurtliff. The matter of accepting Chapman road as a street and the matter of discontinuing a street between George Lawrence and Gilbert Perea's were left until the next meeting, while the matter of paying for securing the school census was referred to the city attorney as to whether the money should be paid from the general or school funds.

The Misses Marion Pine and Laurel Pine of Court street left the city this forenoon for New York City, where they expect to spend a visit of a few days with friends. Before returning to this city they expect to make a visit with friends in Rutland, while attending the annual Rutland fair.

The funeral of Victoriano Rivero, who died Wednesday at Heaton hospital, occurred at 2 o'clock this afternoon from his late home on Barre street with burial in Green Mount cemetery. He was a native of Spain, where he was born July 8, 1893, and had been living in this country for a few years. He is survived by a sister, Mrs. Manuel Gomez, a brother, Angel, of this city, a brother, Jose, of Granitville, and a brother, Belisario, of Quincy, Mass.

Dr. M. B. Hillegas and Prof. L. M. Beach were at Randolph last evening. They organized an industrial school there which will be conducted evenings in the Sargent, Roundy & Osgood machine shops and foundry. The school board is co-operating with the industrial vocational educational board. Eleven students enrolled last evening and it is expected that more will.

A hearing took place at the State House this morning before the public service commission relative to the fatality that occurred at West Berlin a few weeks ago when Percy Brown and Peter Gochie were injured so that they died within a short time after the accident. In which Mrs. Gochie and Mrs. Brown and two children were injured. All four are making successful recoveries. The full commission was present. J. E. Maun and other officials of the Central Vermont railway, as well as the train crew and the persons who saw the accident were before the commission.

The food administration office is very busy sending out supplies to local food administrators relative to sugar distribution. The special permits for canning sugar have gone to each town. The local food administrators are advised that they must not give a permit to get canning sugar to anyone living outside their town. After the person has obtained the permit the sugar may be bought anywhere. The September sugar certificates are being sent to grocers.

The adjutant general sent to the various local boards in the state to-day a copy of a telegram received from the war department which provides that the members of the board are to receive not to exceed \$10 a day or more than \$200 a month. For the work done between March 1 and June 30 this year the board will receive \$3 for each registrant who has gone into service. This may be divided as the board sees fit. For the work from July 1 to Aug. 31 the board will receive \$3 for each registrant actually gone into service, in addition to the 30-cent fee which has been already allotted them. The pay after the last named date will be as above.

Nothing new has developed in the matter of consolidation of the freight business in Montpelier. Robert C. Bacon of the public service commission stated to-day that no consolidation will take place until after the railroads have brought a petition in the matter and that they have not done thus far, so that his commission is waiting for that action. As soon as the petition is filed with the commission the dates of the hearings will be fixed. Three of them are to occur when the public will have a chance to set forth any objections it may have to the rearrangement of conditions.

C. M. Willey of Barre has been appointed administrator of the estate of C. S. Larkin, late of that city, in probate, while H. W. Kemp has been appointed trustee of a fund created from the last will and testament of Christopher C. Putnam in place of Christopher C. Putnam, jr.

The second day's hearing in the case of G. L. Haseltine and others vs. the Lane Manufacturing company took place to-day before E. C. Mower of Burlington as special master. The morning was largely occupied with surveyors' testimony presented by Walker & Walker. F. H. Dewart of Burlington was also here to testify in the case, which was brought in chancery to have the dam of the defendants pond reduced to its original height, as alleged by the plaintiffs, and then recover damages if the plaintiffs are found entitled to damages.

This afternoon nine young men from this county and six from Orange county will report, to leave here Friday morning for Camp Upton, where they enter special service in the army.

G. W. Groom of St. Albans was in the city yesterday.

Mrs. Herbert Smith of Waitsfield has been visiting in the city.

WAS IN CANADIAN ARMY.

Dr. Nathan L. B. Coule, Formerly of St. Albans, Killed in Action.

St. Albans, Aug. 29.—Through a casualty list of Canadians killed in action in France which appeared in a Winnipeg newspaper, Mrs. H. A. Soule of Brainard street has just learned of the death of her youngest son, Dr. Nathan L. B. Coule, formerly of this city. No details are known. The last letter received from him written July 16 contained word that he was all right. Dr. Coule, who was born in Fairfield in August, 1878, was a graduate of the Baltimore Dental college and he practiced his profession 17 or 18 years. He was in Richmond several years.

He enlisted in the Canadian army at Edmonton, Alberta, in the fall of 1916 and was a member of the eighth battalion from Winnipeg, with which he went over almost immediately. He has been in active service ever since and has been on the front line over a year and a half.

Dr. Andrew Soule of Burlington is a brother.
